Build Hope. Change Lives.

70% MISSOURI TAX CREDITS

Available on Gifts of **\$500 or More** Received During 2026

YOUR PARTNERSHIP MAKES A LASTING DIFFERENCE

Your partnership is helping Project 360 Youth Services complete our new **Youth Resource Center (Sound House)**, allowing us to expand life-changing services for at-risk teens throughout our community.

Together, we are creating a place where young people can find a safe environment, caring adults, counseling, mentoring, nutritious meals, academic support, and **hope** for a **brighter future**.

Through the **Missouri Department of Economic Development**, we have been awarded **70%** Missouri state tax credits. Unlike a standard deduction, these are **bottom-line tax credits** that reduce your Missouri tax liability, dollar for dollar. Credits may be used in full or spread over **up to four years**. Our allocation is limited and will be awarded in the order contributions are received.

70% MISSOURI TAX CREDIT
